

Environmental Educator

Bonnyvale Environmental Education Center, Brattleboro, VT

Gain valuable experience serving with a team of naturalist educators fostering connections to the natural world through a variety of opportunities, including camps, school programs, public programs, volunteer opportunities, and the visitor experience. BEEC seeks a creative educator and nature lover, who enjoys serving in the outdoors with children, with strong leadership and inclusion skills.

This position is part of the Vermont Housing & Conservation Board AmeriCorps (VHCB AmeriCorps). The VHCB AmeriCorps program supports the innovative dual-goal approach to creating stable affordable housing opportunities for Vermont residents while preserving the natural and working landscape. VHCB AmeriCorps is a national service program that places members with non-profit housing or land and energy conservation organizations around the state.

BEEC is a member-based nonprofit organization founded in 1991, with a mission to foster experiences that inspire connection to the natural world and its many inhabitants. To achieve its mission, BEEC provides a variety of educational programs and initiatives to create an involved group of community scientists and caring stewards of our land. BEEC coordinates and leads important community-based natural history and conservation programs. BEEC's school programs use the scientific process, hands-on activities, and outdoor experiences to help students learn about a wide range of life, earth, physical and environmental science topics. BEEC's youth programs are for the young person who loves the natural world with the goal to foster a love of nature in a fun, safe, and supportive environment. The Environmental Educator will support and help develop these efforts.

Essential Functions:

- Co-lead environmental education youth programs and camps.
- Compile curriculum and materials for youth programs and camps.
- Strengthen the visitors' experience to BEEC through the stewardship of BEEC property, including serving with volunteers on trail maintenance and invasive plant management.
- Participate in an Independent Service Project under the guidance of VHCB AmeriCorps
- Participate in all VHCB AmeriCorps Trainings, Service Days, Events, and Program Initiatives.
- Engage in professional and personal development activities and networking opportunities.

Secondary Functions:

- Assist with the development of BEEC's printed and electronic outreach materials (e-newsletter, website, social media, posters, etc.)
- Represent BEEC at community service fairs and other events.
- Assist with public programs and nature walks.
- Conduct outreach and support to BEEC volunteers.
