

Business Sponsorship Form for Junior Solar Sprint

For seventh and eighth grade students, Junior Solar Sprint (JSS) is a competition to create the fastest, most interesting and best crafted solar-vehicle possible. Students will design, build and race solar powered cars using engineering skills and principles of science and math, develop teamwork and problem solving abilities, investigate environmental issues and gain hands-on STEM skills.

Your gift is providing the necessary materials for middle schools of southeastern Vermont and southwestern New Hampshire to build and race vehicles in our JSS regional race on **Thursday, May 30th from 9:00 AM -1:00 PM**, at:

Living Memorial Park, Brattleboro, Vermont. This regional race is being hosted by **Bonnyvale Environmental Education Center**

Please send this form with payment to BEEC, PO Box 2318, West Brattleboro, VT 05303.
